Introduction

Dear Golf Enthusiast,

Thank you for your interest in golfing with us at Fort William Golf and Country Club for the 2019 season. We value your partnership and look forward to serving you and your guests.

The Fort William Golf and Country Club, with its stunning views of the Nor'Wester Mountain Range, is one of Thunder Bay's premier golf courses. Located just 10 minutes from downtown Thunder Bay, this 18 hole, 6,547 yard par 72 golf course was designed by Stanley Thompson in 1923, and

redesigned by Norman Woods in 1964, Thompson's apprentice. It is set in beautifully landscaped surroundings and features fast greens, rolling hills, many elevation changes, strategically placed bunkers, side hill lies as well as natural ponds and streams.

The Fort William Golf and Country Club is a non-profit, semi-private golf course with 250 members. Unrestricted playing opportunities, driving range and practice facilities are available 7 days a week for our corporate members.

The Club also offers a full service Lounge Facility and Banquet Hall with an award winning Executive Chef that will collaborate with you to create a menu to reflect your taste and budget.

We consider ourselves as the perfect venue for competitions, corporate golf and even company meetings and outings.

For a golfer, there is no better experience than a fabulous golf course in a spectacular setting.

Wishing you a great golf season!
